

FISCAL NOTE

HB 4114 - SB 4158

February 14, 2008

SUMMARY OF BILL: Authorizes the Fire Service and Code Enforcement Academy to accept, for any of its purposes and functions, donations of real and personal property and services and grants of money.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – Any donations made to the Fire Academy would increase the amount of state funds available to cover the Academy’s operational costs. The amount and type of donations that would be received by the Academy is unquantifiable but is estimated to be not significant.

Assumption:

- The Tennessee Law Enforcement Academy (TLEA) currently has this authority. TLEA indicates that very few donations have ever been received. Based on this, it is estimated that donations to the Fire Academy will be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
